Level details

- Level 1 - Client has book keeper/uses our book keeping services
- Level 2 - Client has appropriate excel or paper based summarised income, expenditure, asset and liability records (please note, we can provide spreadsheets for your use)

Where clients have a box of paperwork, with no or limited filing and summarising of information, book keeping charges will be levied for work required to get the records to an appropriate level for year end accounts production.

Please note that all fees are subject to a periodic review.
